ABOUT SUMMIT COUNSELING CENTER

The Summit is a trusted 501(c)(3) nonprofit community counseling organization that has helped individuals, couples, and families in north metro Atlanta experience hope, healing, and restoration since 1990. By removing barriers, implementing prevention, and providing assessments and therapy, the Summit is striving to remove the stigma surrounding mental health in our community.

Kyle & Shelby recently hosted members of The Summit staff at a Braves home game, pictured above.

ABOUT KYLE WRIGHT

Originally from Huntsville, Alabama, Kyle Wright is one of the bright young stars on the Atlanta Braves pitching staff. Atlanta selected Kyle fifth overall in the 2017 MLB Draft out of Vanderbilt University. After winning a World Series with the Braves in 2021, Kyle led the MLB in wins in 2022.

As an athlete, Kyle manages ups and downs during the long baseball season and relies on a variety of confidants to balance the daily mental pressures. Kyle wants to spread the message that it's okay to ask for help and talk about your feelings with trusted individuals. Kyle & Shelby Wright are passionate about furthering the Summit Counseling Center's mission and reducing the stigma of mental health among teens and adults.
