## **Keynote Speaker**

**Steve Palmer,**

**Founder, Managing Partner, and Chief Vision Officer of Indigo Road Hospitality Group**

Best-selling author, podcast host, TedX speaker, James Beard semifinalist, mental health advocate, and restaurateur Steve Palmer is a food & beverage industry leader with more than 40 years of experience.

As founder, managing partner, and chief vision officer of the award-winning Indigo Road Hospitality Group (IRHG), Steve has played an integral part in growing the Charleston, SC-based hospitality company from one restaurant in 2009 to a portfolio of more than 30 restaurants and independent hotels throughout the country today. Attributing the company's success to his loyal and dedicated team, Steve maintains the philosophy that great service starts with well-cared-for employees.

### **The Indigo Road Hospitality Group**

Founded in 2009 by Steve Palmer, The Indigo Road Hospitality Group (IRHG) owns, operates, and manages restaurants and boutique hotels throughout the country. Based in the Southeast, IRHG is founded upon the core principle of serving with love and creating memorable experiences for all. In 2019, IRHG marked its tenth anniversary by being named a Forbes Small Giant and appearing on the Inc. 5000 Fastest Growing Companies list; the company has since grown its portfolio to include a robust collection of food & beverage-driven boutique hotels. Indigo Road's dedication to excellence in food & beverage was recognized in multiple years ('18, '19, '20, and '24) by Palmer being named a James Beard Foundation Award semifinalist for Outstanding Restaurateur. ### **Ben's Friends**

*Co-Founders: Steve Palmer + Mickey Bakst*

Ben's Friends is a support group for members of the food and beverage industry struggling with substance abuse and addiction. The organization was founded in 2016 by industry veterans Steve Palmer and Mickey Bakst—who have nearly 60 years of sobriety between them—in honor of Ben Murray, a chef who took his own life after struggling with alcoholism. The mission of Ben's Friends is to offer hope, fellowship, and a path forward to anyone who struggles with substance abuse or addiction. By coming together, starting a dialogue, and acknowledging that substance abuse cannot be overcome by isolation and willpower alone, Ben's Friends hopes to write a new chapter in the lives of food and beverage professionals across the country.
