

20th Annual Summit Golf Classic

Tuesday, September 29th, 2026

The Manor Golf & Country Club
Milton, Georgia

For more than three decades, the Summit Counseling Center has been a source of hope, healing, and support for individuals and families throughout our community. Founded in 1990, Summit was built on the belief that quality mental health care should be accessible to everyone, regardless of their financial circumstances. Today, Summit provides professional counseling services, school-based mental health programs, support groups, and community outreach initiatives that help children, teens, adults, and families navigate life's challenges. Every day, Summit works to remove barriers to care through its Client Assistance Fund, ensuring that no one is turned away because they cannot afford services.

By participating in or donating to our Summit Golf Classic, you are doing much more than supporting a day on the course; you are making a direct investment in the mental health and well-being of people in our community. The funds raised help provide counseling sessions for individuals facing anxiety, depression, grief, trauma, family conflict, and other life challenges. Your support also helps expand school-based programs that reach students who may otherwise go without the mental health resources they need to thrive. Whether you choose to sponsor, donate, register a team, or simply spread the word, your contribution creates lasting change and gives hope to those who need it most. Together, we can ensure that mental health care remains accessible, affordable, and available for everyone who walks through Summit's doors.

EVERY SWING, EVERY SPONSORSHIP, AND EVERY DONATION HELPS CHANGE LIVES.
